My Advice for Resolving Conflict

You have been put in charge of providing advice to others about solving conflicts. Use your best judgment to provide advice on the following:

- 1 We communicate with our bodies and voices. What kind of body language will help solve conflict?

- 2 Explain how to listen and why listening is important: _____

- 3 Our attitudes often hinder our ability to solve problems. Explain how to maintain a good attitude:

- 4 Discuss the importance of coming up with alternate solutions and collaborating to find a solution.
