

Name: _____

Bike Check Up

1 Is my seat the right height and secure and straight?

2 Do my brakes work well and stop my bike easily?

3 Are my handle bars secure and straight?

Are my handle bars easily reached?

4 Are my peddles within reach and on tightly?

5 Are my tire treads good?

Is there the right amount of air in my tires?

6 Are my spokes secure without any missing?
