Win/Win - Win/Lose - Lose/Lose

Conflict will have 3 types of outcomes:

❶ Win/Win ❷ Win/Lose ❸ Lose/Lose

For Example:

   Lose/Lose: 2 individuals argue over a ball, the teacher takes the ball.

   Win/Win: 2 individuals argue over a ball, the teacher provides another ball.

   Win/Lose: 2 individuals argue over a ball, the teacher flips a coin and who ever calls it correctly wins.

Below, list 3 examples of conflict: a win/win, a win/lose and a lose/lose. For each conflict, indicate how each side felt.
