# Dealing with Change

Learning to accept change helps us better prepare for the changes that come throughout our life. Developing coping strategies to deal with change is an important life skill to have.

Identify a change of plans or events that you were disappointed about:

---

---

---

---

---

---

Why was the change disappointing for you?

---

---

---

---

---

---

---

---

---

---

Provide 3 tips for somebody dealing with an unwanted change.
