

IS IT Living?

All living things grow: reproduce, move, breathe, make waste, react to things, need food (energy) and grow.

A snowman

Does it grow?

Does it reproduce?

Does it move?

Does it breathe

Does it make waste?

What food does it need?

Fire

Does it grow?

Does it reproduce?

Does it move?

Does it breathe

Does it make waste?

What food does it need?

A Zebra

Do they grow?

Do they reproduce?

Do they move?

Do they breathe

Do they make waste?

What food do they need?
