

## Scavenger Hunt

Take a walk around the school and the yard and complete the following chart:

| ltem                        | Not Living | Living     |
|-----------------------------|------------|------------|
|                             |            |            |
|                             |            |            |
|                             |            | ]          |
|                             |            | -          |
|                             |            | ]          |
|                             |            | ]          |
|                             |            |            |
|                             |            | ļ <u>-</u> |
|                             |            | [          |
|                             |            | ]          |
|                             |            | 9          |
|                             |            |            |
|                             |            |            |
|                             |            |            |
|                             |            |            |
|                             |            |            |
