# Advertisements at the Movies

**Some people believe that there are <u>too many advertisements</u> shown when they go to the theatre. What is your opinion on this?**

**When giving your opinion, include the following:**

- An introductory paragraph that clearly states your point of view/opinion and introduces the main reasons.
- Three well organized body paragraphs with fully explained reasons for your opinion.
- A concluding paragraph that relates back to the introduction and helps convince the reader to consider your point of view.
