

Name: _____

Read and Respond

I rode my scooter to school. As I neared the School, I heard a scary scream. I scratched my scalp and looked to see what it was. It was just Scott screaming when the tire on his scooter got a flat.

1 Underline all the words that begin with sc.

2 How many words begin with sc _____

3 Who screamed? _____

4 What happened to the scooter? _____

5 Why did Scott scream? _____
